

## LIFTING CAP (LIFTING BAIL)

### Lifting Cap ( Lifting Bail)

Lifting cap is a special tool for lifting of drilling tools in petroleum, natural gas, drilling engineering and geo- graphical exploration, also called as lifting bail. PPGL provides the lifting cap or lifting bail in integral type or circular type.

Lifting Cap

### Technical Specification of Lifting Cap

Thread Code	O.D.(mm)	Length (mm)	Thread Code	O.D.(mm)	Length (mm)	Thread Code	O.D.(mm)	Length (mm)
